

PHOTO GUIDELINES HOSPITALITY SUPERSTAR RESUME

WWW.360AGENCY.ME

One of the most important aspects for a restaurant or hotel employee is appearance. You are the representation of the restaurant; you are the one employee talking to the guests. In order to get a job, you must look top presentable – in your photos and during the interview!

The first thing that an employer sees on a resume is your photograph, and it should show you from your best side!

In the photos, you have to wear a **smile!**

Wear **smart casual or business clothing.** Decorations should be discreet, in small quantities.

Male: Tidy up your hair. A man should be clean-shaven or have a tidy beard.

Female: Tidy up your hair, Makeup should be light – nothing intense or bright.

Important!

No Group Pictures

No Sunglasses

No Drinks
or Party pictures

No Bikini, Mini-skirt
or Beach Photos

No Mask

The photos should be up-to-date,
max. 1 years old.

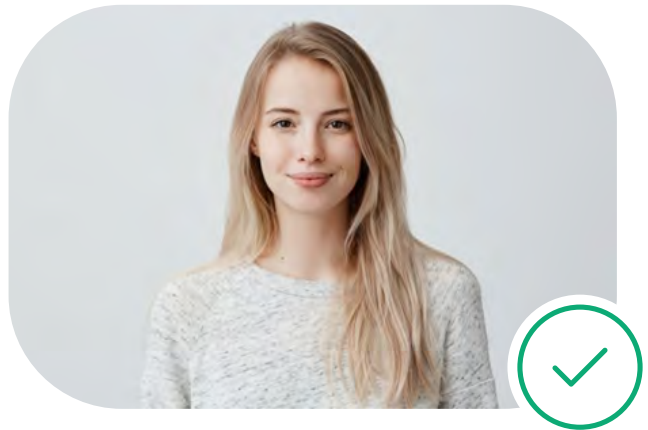

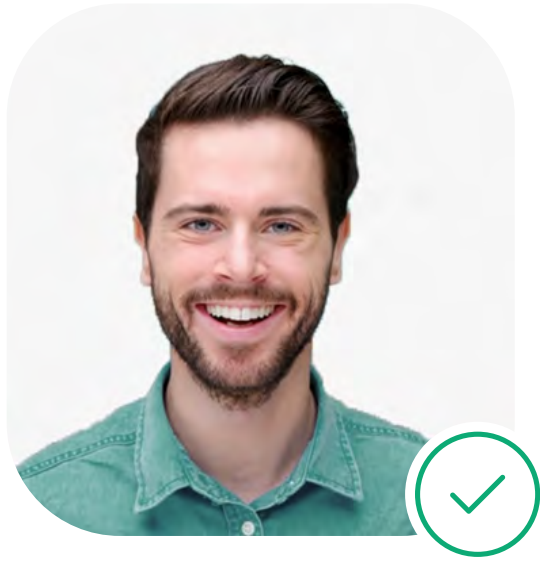

Remember! 80% of information people perceive is through eye contact, so pay attention to your photos!

In these guidelines, you will see sample photos of what is ideal for Hospitality resumes.

We wish you success!
